NATURIST HOLIDAYS

2022
EDITION

EURONAT, MY NATURIST HOLIDAY RESORT

This year, I'm taking you on holiday with me to the Médoc peninsula in Gironde, and more precisely to Euronat, a naturist holiday centre located on the Atlantic Ocean. Set in a 335 hectare pine forest, it is the largest naturist village in Europe. A place that perfectly combines space and privacy and that has become my little corner of paradise for a few years now!

It is a destination that will satisfy both experienced naturists and those who wish to experience naturism for the first time in this privileged setting.

THE SHOPPING CENTRE - THE HEART OF EURONAT

After discovering my accommodation (but I'll tell you about my cosy nest later), we head for the «heart of Euronat», the shopping centre, which has no less than 25 shops. I usually go there to get my bread and pastries for the whole family from the bakery. I then go to the newsagents to buy my newspaper and do some shopping for my picnic lunch on the beach.

Euronat's shopping centre is also the ideal place for a drink or a refreshing smoothie at the end of the day, for a meal at one of the restaurants in the evening, or to listen to music on the agora stage. A wide range of concerts is scheduled throughout the summer.

Many services are available in the shopping centre, including four restaurants, a tapas bar, a hairdresser, a bicycle rental company, a wine cellar, an organic food shop, a delicatessen, souvenir shops, clothes shops etc.

RELAXING AT THE POOL

Before lunch, the children love to go to the swimming pool to enjoy the water slides and the heated outdoor pools.

This year, Euronat has a new outdoor pool, «the lagoon». It has a paddling pool for children, a spa area with massage jets and benches, as well as an artificial river with underwater current. Knowing that the children are safe and having fun, while I'm lounging on a sun lounger with a good book, that's what I call a Euronat holiday!

At the end of my chapter, I'm going to do a few lengths in one of the two indoor pools, which are available for swimmers and children.

A PICNIC AT THE BEACH

The picnic is ready so let's head for the beach. Euronat offers three naturist beaches, 1.5 km of white sandy beaches (two beaches have lifeguards from mid-June to mid-September). We like to take Maloup for a walk on the North beach where our faithful friends are allowed to run free.

In our birthday suits, we relax in the cool, invigorating waves after a nap in the shade of a parasol or a long, refreshing walk.

THE AFTERNOON ACTIVITIES

After the beach, we head for the activities: from sports and wellness activities to crafts and culture, there is something for everyone in Euronat. Today it's yoga for me, at the Théâtre de Verdure, the perfect place for a moment of relaxation, nestled in the heart of the pine forest where only the gentle song of the birds can distract you.

You can also try horse-riding and experience a ride on the beach at sunset, or try out surfing or playing the djembe for music lovers.

For the sporty ones, Saul is waiting for you on the tennis courts to hit some balls and the gym is open every day for training.

OUR CHILDREN AND TEENAGERS

Meanwhile, the children spend the afternoon at the mini-clubs with their friends: the leaders of the 4 mini-clubs are waiting for them at the yurts (for children from 3 to 17 years old).

Initiation to permaculture, evening activities, something to entertain your children all day long but also to develop their sense of ecology. Good fun and sharing guaranteed!

They can also enjoy the skate park and the playground.

THE THALASSO

Before the day is over, I pop into the Thalasso to make an appointment. I'm going to try out the new «Polynesian Voyage» treatment, a moment of relaxation guaranteed.

The Thalasso offers a multitude of treatments of outstanding expertise, consult the end of the brochure to discover them.

CAMPING CARAVANNING

As promised, I will tell you more about my accommodation. This year, a new experience for us is at the campsite, nestled in the middle of nature, a spacious pitch that favours privacy and tranquillity...

Camping lovers can enjoy sunny or shady pitches in the pine forest. You will be staying in the heart of Euronat, as the camping-caravanning site is close to the village centre and the swimming pools.

Within the campsite you will also find ten toilet blocks equipped with baby facilities, facilities for the disabled, and barbecue areas for safe grilling.

THE NATURIST CHARTER

" Naturism is a way of living in harmony with nature, characterized by communal nudity that encourages self-respect, the respect of others and of the environment "

XIVe Congrès international 1974

EURONAT IS THE IDEAL PLACE FOR A FIRST NATURIST EXPERIENCE

Here, the space and nature will allow you to discover this way of living in complete security and serenity. Your psychological and social barriers disappear leaving room for wellbeing and simplicity.

UNFORGETTABLE HOLIDAYS

Feeling the wind on your skin and the softness of the sea air, but also swimming naked in the ocean, are extraordinarily invigorating sensations. Complexities are gone, an incredible feeling of freedom envelops you.

Nudity is natural, healthy and collective.

DISCOVER NATURISM WITH YOUR FAMILY

Naturism for the first time can be a daunting experience, but if you take the plunge, you will never be disappointed. Euronat is the ideal naturist campsite to practice naturism with your family. The activities and mini-clubs are there to allow your children and teenagers to discover the world of naturism in the best possible way.

Naturism is also about being in harmony with your environment and respecting others and yourself.

It is also about taking time during your holidays to enjoy life to the full.

Naturism is a philosophy of life.

Live naked !

SELF RESPECT

By choosing to spend your naturist holidays at EURONAT, you must respect these fundamental rules.

- Respect nudity whenever the weather permits.
- Nudity is obligatory at the swimming pool, at the beach and in the washrooms.
- Swimming costumes, bikinis and strings are forbidden.
- However, common sense prevails.

A certain tolerance is allowed for some sporting activities, for women at certain times and for teenagers.

RESPECT OF OTHERS

No ambiguous attitudes, voyeurism or exhibitionism that could shock children or adults will be tolerated.

Any group or individual that doesn't respect this rule must leave the naturist resort immediately.

- Personal cleanliness is compulsory.
- Intimate jewellery or piercings are forbidden.
- Naturism is family orientated and friendly.
- Courtesy and respect of the intimacy of others are essential.
- It is forbidden to take photographs or videos by any means (this includes with mobile phones) without the permission of those in the view finder.

Outside the shopping centre and the activity and leisure areas, the chalet and camping villages are places of rest and relaxation. Noise disturbance is to be avoided.

RESPECT OF THE ENVIRONNEMENT

Naturism creates the sensation of an incredible liberty, of being at one with the natural elements, the sun, the sea, the wind.

Nudity brings one closer to the environment and more aware of its fragility. Euronat's exceptionally preserved nature must be protected.

Everyone must:

- Respect the dunes and the beach and not drop litter of any kind.
- Not cut trees or bushes, nor pick wild flowers, in particular on the dunes where the ecosystem is very fragile.
- Sort your rubbish and use the recycling containers available.
- Be sparing with water when possible.
- Use the sanitary bags for your animal's excrement (available at reception).
- Respect our whole complex.
- Use an ashtray for your cigarette ends if you smoke.
